Customer chooses the payment method among those proposed on the Seller's Internet resource and pays for positions by the chosen method.

2.5. Customer is obliged to pay for Reserved Ticket within 20 minutes after filling out an appropriate Seller's Internet resource form, and if the payment is not made within the prescribed time, Ticket's reserve will be automatically canceled and the Ticket will be available for purchase by other customers.

2.6. Within an hour from the time Seller receives funds the Reserved Ticket which gives the right to participate in the Event selected by Customer will be sent in electronic form to the Customer's email address specified during registration at the Seller's Internet resource.

2.7. In order to use the Reserved Ticket, it must be printed out and presented pre-entry and / or before the beginning of the Event, unless the rules of the Event itself provide otherwise.

3. Payment methods

3.1. Ticket, merchandise, digital content cost is determined by Seller unanimously and indicated in the information about the Event. The Ticket, merchandise, digital content price does not include transaction cost.

3.2. Methods of payment for Tickets may vary for different Events and are listed in the section "Payment methods" in respect of separate Event.

3.3. Seller reserves the right to charge additional fees and charges to Customer when the latter purchases the Ticket, merchandise, digital content for appropriate Event. Information about these additional fees and charges is placed on the Seller's Internet resource indicating which Events' Tickets, merchandise, digital content will be additionally charged.

4. Return of funds (refund)

4.1. If the Event is canceled, Seller will reimburse the full cost of Reserved Tickets to Customer subject to the provisions of this Contract. Merchandise and digital content couldn't be charged back.

4.2. In case of refund, Seller shall transfer money within 30 days of the Reserved Ticket cancellation to the bank account from which the payment for Tickets was made by Customer. Customer shall be solely responsible for any failure or technical impossibility to return funds onto such details.

4.3. Refunding is made less commission of payment system wherethrough the refund is made.

5. Personal data of Customer

5.1. Customer filling in the Seller's Internet resource form gives its consent for Seller to collect, including through special technical means process, use, store, compile and delete Customer's personal data including, but not limited to: name, surname, first name, personal phone numbers, contact information, and any other information relating to his or her personality, known or available at any particular time. Customer confirms that giving such consent, he or she acts in his or her will and own interests.

5.2. Information about Customer, including personal data, shall be used to ensure the proper implementation of the legal relationship between Parties, fulfilment of obligations related to the proper functioning of the Seller's Internet resource, as well as to identify Customer as the user of the Seller's Internet resource, and to grant Customer a right to access and use Customer's Personal Account and other technical capabilities of the Seller's Internet resource.

5.3. Seller shall not transmit Customer's personal data to third parties unless it is made in virtue of the current applicable legislation, court order, or for proper performance of Seller's obligations hereunder and/or for proper executing of the Contract.

5.4. Customer as the owner of personal data using the Seller's Internet resource:

- is considered to be notified that the personal database containing Customer's personal information is in the possession, use and disposal of Seller for the purposes of use for proper functioning of Seller's Internet resource and for the whole time since the moment such data is inserted in Seller's Internet resource till the Seller's Internet resource is cancelled;
- has an inalienable right to have access to your personal data, including those inserted into the Seller's Internet resource by third parties ;
- within 30 calendar days from the receipt of the request by e-mail, except as provided by the legislation of Delaware, US. gets an e-mail response whether his or her personal information is stored in relevant database of Seller;
- has the right to send the Seller a motivated request objecting to the processing of Customer's personal data; such a right extends only to the data clearly marked by Customer in the request sent by e-mail, and may be granted only after technical circumstances allow to;
- has the right to send to Seller a motivated request for alteration or destruction of the personal data contained in the Seller's Internet resource if such data are processed illegally or are unreliable; that right extends only to such data, which were clearly marked by Customer in the request sent by e-mail and may be granted only after technical circumstances allow to;
- is deemed to be notified on his or her right to protect his or her personal data against unlawful processing and accidental loss, destruction, damage, as well as providing protection from the information that is unreliable or disgraces Customer's honour, dignity and business reputation; however enjoying those rights Customer can apply only to third parties, but not to Seller, under any circumstances;
- if necessary and in case of violation of the applicable law, has the right to complain to the processing of Customer's personal data and apply remedies with respect to third persons who have committed such violation – but in no case to the Seller;
- does not limit the right of Seller to the processing of Customer's personal data in the framework of the Seller's Internet resource;

- has the right to withdraw consent to the processing of Customer's personal data;
- is considered to be notified that processing of Customer's personal data is done automatically and this processing has no legal consequences for Customer.

6. Other conditions

6.1. This Contract may be changed unilaterally by Seller. The current version of the Contract is considered to be one that is posted on the Seller's Internet resource at the time of its exploitation and Seller's Internet resource.

6.2. All disputes arising in connection with the performance of this Contract by the Parties shall be settled in court in accordance with the current legislation of Delaware, US.
